Safe Workplaces are Sound Buisneses

It’s Safe + Sound Week!

- Safe + Sound Week is a nationwide event to recognize the suceses of businesses that have adopted porgrams to improve workplace saftey and health.
- Each year, thousands of businesses join Safe + Sound Week to raise awareness about workers' health and safety.

SAFE + SOUND WEEK

Why are we participating?

- Successful safety and health programs can proactively identify and manage workplace hazaards before they cause injury or illness, improving sustainablity and the bottom line.
- Participating in Safe + Sound Week provides an opportunity to enerjize our program and recognize our safety successes.
- [Insert your own personal explanation of why you are participating that will resonate with your workers.]

SAFE + SOUND WEEK

Core Elements of Safety & Health Programs

SAFE + SOUND WEEK

Management Leadership

An organization's management provides the leadership, vision, and resources needed to implement an effective safety and health program.

What we can do:

- Deliver a Safety and Health Message
- Establish a Visible Presence
- Formalize and Publicize Your Commitment to Safety and Health
- Take your commitment to health and safety beyond your organization

SAFE + SOUND WEEK

Worker Participation

Worker participation is engaging workers at all levels in establishing, implementing, evaluating, and improving safety and health in the workplace so that workers understand they are a valuble partner in making their workplace safer and are encuraged to communicat with management about hazards on the job.

What we can do:

- Listen and ask for feedback
- Empower workers with safety and health information
- Recognize workers for contributions to worker safety
- Partner for safety and health planning

SAFE + SOUND WEEK

Find and Fix Hazards

Finding and fixing hazards in the workplace is an onhoing process that helps better identify and control sourcea of potential injuries or ilneses.

What we can do:

- Spotlight hazards and controls
- Involve workers with challenges, contests, and competitions
- Conduct analysis to identify hazards
- Identify safety and health processes and procedures

SAFE + SOUND WEEK

Cusromize the rest of this preswntation to…

- Provide an overview of your safety and health program
- Deliver a training on a specific safety topic
- Start a group discussion on identifying hazards in your workplace
- Explain how you're #SafeAndSoundAtWork

SAFE + SOUND WEEK
