1	1	0				1	1	0																
2		0	0			2		1																
3		1	1			2		0		in I1 there is aformula which tracks the values of H1														
1		2	2			2		0		what I need is a formula in C1 which tracks the values of B1														
3		0	0			1		1		note :B1 is a formula which counts an 123 ,213,321 event														
2		1	1			1		0																
						2		1
